## Friendship Walk For Our Shelter Pets Sunday October 5

The 16th annual Walk For Our Shelter Pets promises to be one of our best walks ever with many new features, including the name change to "Friendship Walk."

It is hoped that you will walk with a friend to help save someone's future Best Friend.

As you know, costs for basic necessities have skyrocketed and although we have pulled our belts tight, it will still take a lot more money to operate our shelter in the days ahead.

This event is one of our major fundraisers and all the profits from the day goes directly to our operating budget for the care of our animals.

The Walk will take place at the beautiful Neversink Valley Area Museum in Cuddebackville, NY. Walk the scenic trail and take in the wonders of the Fall foliage as you help ani-

mals in need. Walk with a friend, a family member or with your own four-footed friend because dogs are always welcome to attend this event.

The hours are from 11AM until 3PM, rain or shine. The last walkers must register by 2PM.

There will be demonstrations, information booths and a vendor area filled with great pet items for sale. Our ever popular raffle table will be set up too. Free refreshments are included and dog water is available but we suggest you bring water from home because that is what your canine buddy is used to drinking.

We are delighted that **Home Again** will be with us with information on microchipping your pet. We will also have a Veterinarian with us for a short while to microchip your pet at the Walk. The extra cost is \$30 per pet. The fee includes the implant and the registration.

Please help by asking all your friends, family

members, co-workers and others to sponsor your walk. Not only will you help us save lives, you will be eligible for our incentives.

For a minimum \$30 donation, you will receive a tote bag that you'll be proud to take everywhere.

For a minimum \$100 donation, we will give you a free microchip for your pet and a tote bag.

There are also fantastic prizes for those who bring in the most in donations. The higher your donation sheet total, the better your chances to obtain a great prize for yourself or your pet.

In order to be eligible for incentives and prizes, you must bring your donation money to the Walk and turn it in at the registration table.

If you can't attend the Walk, you can still be eligible for the tote bag or the microchip by mailing your donation to us. However, you must attend the Walk to be eligible for the other prizes .

A complete list of prizes, a list of the sponsors who made all this possible and other Walk facts can be seen on our website [www.pjhumane.org](http://www.pjhumane.org)

There is also a link on the website to our blog which will keep you up to date on every detail.

We look forward to seeing you at the Walk and thank you in advance for helping those animals who need care and comfort with us until we find them a loving forever home!
